- **PASTEURIZED SPRAY MACHINES DISTRIBUTION FOR FARMING:**

People in the villages of Patna, Bihar are very poor especially the farmers. It was observed that most of them cannot afford automatic spray machines used to spray pesticides on the crops. They either use manual spray machines or do not use any spray machines, hence putting their crop at risk. Hence, Late Suresh

Singh Foundation decided to distribute 18 litres automatic spray machines to the farmers in the nearby villages. A survey was done of 25 villages by Late Suresh Singh Foundation to identify villagers who own land or who have taken it on lease and hence would benefit the most from the spray machines. 101 farmers were selected from the 25 villages and were provided with the automatic spray machines.

- **EYE CHECK-UP AND OPERATIONS**

Eye check-up camp was organized by Late Suresh Singh Foundation on 25 Dec, 2023. A doctor with 5 helpers conducted eye check-ups for approx. 500 individuals between the ages 40-70 years. Most were treated with medicines but 50 individuals were identified with serious eye problems requiring operation.

Out of these 50 individuals, 25 agreed to get their eyes operated and Late Suresh Singh Foundation conducted the eye operations for these 25 individuals.

• BLANKET DISTRIBUTION

Late Suresh Singh Trust's blanket distribution initiative has provided warmth and comfort to vulnerable communities, particularly during harsh weather conditions. By distributing blankets, the Trust has demonstrated its commitment to addressing the immediate needs of those facing hardship. These blankets not only offer protection from the cold but also symbolize care

and solidarity with the recipients.

Through this initiative, the Trust has helped alleviate suffering and improve the quality of life for countless individuals, especially during times of crisis. The blanket distribution program reflects the

Blanket distribution

Trust's ethos of compassion and service to humanity. As the organization continues its mission to support marginalized communities, it remains dedicated to making a meaningful difference in the lives of those in need. This year we distributed 1000 blankets were given to poor people from neighbouring 35 villages.

• **LAPTOP DISTRIBUTION**

Late Suresh Singh Trust's laptop distribution program has empowered individuals with access to technology, facilitating education, skill development, and economic opportunities. By providing laptops to underserved communities, the Trust has bridged the digital divide and enabled beneficiaries to participate more actively in the digital age. These laptops serve as tools for learning, communication, and empowerment, opening doors to a world of

knowledge and resources. Whether used for online education, job searches, or entrepreneurship, these devices have significantly enhanced the capabilities and prospects of recipients. Through this initiative,

Late Suresh Singh Trust has demonstrated its commitment to promoting digital inclusion and socio-economic advancement. As the organization continues to expand its reach and impact, it remains dedicated to empowering individuals with the tools they need to thrive in an increasingly interconnected world. In 2023-24, the foundation provided 3 laptops to the needy, of which two were in Patna, Bihar and one was in Delhi.

● BORE WELL PUMP INSTALLATION:

Rampur Hasan Lai Village in Patna, Bihar celebrates Chatt Puja in a big way. During the festival residents of the village bathe in a local pond. Late Suresh Singh Foundation observed that the water of the pond was not very clean and was also decreasing. Late

Suresh Singh Trust's bore well pump installation initiative has been a lifeline for communities grappling with water scarcity. By installing bore well pumps in underserved areas, the Trust has brought reliable access to

clean water, transforming lives and livelihoods. These pumps alleviate the burden of fetching water from distant sources, particularly for women and children, enabling them to devote more time to education and income-generating activities. The installation of bore well pumps has also bolstered agricultural productivity, facilitating irrigation and crop cultivation even during dry seasons. Through this initiative, Late Suresh Singh Trust has not only addressed a critical need but also empowered communities to thrive sustainably. As the Trust continues its efforts to improve access to essential services, it remains committed to enhancing the well-being and resilience of those it serves.

• HEALTH CHECK-UP CAMP

Health Check-up camps are held every year to provide health check-ups and treatment to villagers for overall health, teeth and bones. A Health Check-up camp was held in 2023-24 with 5 doctors from Medanta Hospital. More than 500 individuals were helped through this health check-up camp.

Health check-up camp

• PRIZE DISTRIBUTION FOR RUNNING COMPETITION

Late Suresh Singh Foundation every year organizes a sports competition involving a 3km running race for boys and 2km

running race for girls. The top three winners are given cash prizes, certificates and medals. The objective behind holding this competition is to promote education and sports and also provide money to the poor. This year also the Foundation held the running competition and gave prizes to top three boys and top three girls.

• HANDICAP TRICYCLE DISTRIBUTION

Late Suresh Singh Trust's distribution of handicap tricycles has significantly improved mobility and independence for individuals with disabilities. By

providing these specially designed tricycles, the Trust has enabled recipients to overcome mobility challenges and participate more fully in their communities. These tricycles are tailored to accommodate various disabilities, offering stability, comfort, and ease of use. Late Suresh Singh Foundation wanted to help the disabled in the Rampur Hasan Lai and its neighbouring villages. Hence it provided Handicap Tricycles to three villagers in 2023-24.

Moreover, they empower individuals to access education, employment, healthcare, and social opportunities that were previously out of reach. The distribution of handicap tricycles not only enhances the quality of life for recipients but also promotes inclusivity and dignity. Through this initiative, Late Suresh Singh Trust demonstrates its commitment to supporting marginalized communities and advocating for equal opportunities for all. As the Trust continues to serve those in need, it remains dedicated to promoting accessibility, empowerment, and social inclusion.

• AUTO-RICKSHAW FINANCE

Late Suresh Singh Foundation helped in the financing of Auto Rickshaws for the poor by contributing 20% to the value of the Rickshaw. The aim was to provide a source of income as well as promote the lives of the affected families.

• CROCKERY SET DISTRIBUTION FOR GIRLS

It is customary in Bihar to provide a crockery set to the girls at the time of their wedding. Many families cannot afford the same. Therefore Late Suresh Singh Foundation stepped up and provided crockery sets to girls.

• FOGGING MACHINE DISTRIBUTION

In order to protect the villagers from infectious diseases like Dengue and Malaria, Late Suresh Singh Foundation purchased a Fogging Machine that it lends to the local villagers for spraying in their villages. Villagers cannot afford the same and hence borrow it to prevent the risk of Dengue and Malaria.

- **OPEN GYM SET UP IN SCHOOL**

Late Suresh Singh Foundation has set up a gym in a High School in Village Rampur Hasan Lai. The Foundation aims to promote the health of students by promoting exercise and workout.

Open gym installed in school

- **T-SHIRT DISTRIBUTION FOR VOLUNTEERS**

More than 500 T-Shirts were distributed to farmers and volunteers who work with the Foundation in 2023-24.
